EXPERIENCE

Senior Customer Success Manager

Bynder, Remote

June 2021 - Present

- Providing dedicated support and consultation to high value customers.
- Conduct weekly, bi-weekly and monthly sessions for customers to communicate recent product updates and offerings that align with their immediate and long-term initiatives.
- Mentoring newer CSMs.

Key achievement:

- Closed over \$130k ARR in upsells in Q2 2021 which carried the entire US CSM team's expansion target over 100%.

Customer Success Manager

Bynder, Remote

October 2018 - June 2021

- Maintained high retention rate year over year despite inheriting a very challenging multi-million dollar book of business consisting of enterprise and strategic accounts.
- Drove over 16% expansion within my portfolio in my first two years.
- Coordinated with Sales and Product in providing report analysis of trends in customer behavior and user experience throughout each year.
- Developed internal guides, account review templates and other resources related to CSM best practices.

Key achievement:

- Consistently at the top of the leaderboard for renewal increases (i.e. securing multi-year renewals) and referenceable customers.

Onboarding Manager

Streamsend, Sacramento, CA

August 2016 - July 2018

- Met and exceeded target to onboard 15+ new accounts per month.
- Maintained 99% retention year over year within my book of business.
- Designed and conducted training sessions for customers (individual and teams), receiving consistently positive feedback.
- Contributed to cross-department strategy and collaboration.

Account Manager

Wonolo, San Francisco, CA

October 2015 - August 2016

- Maintained 98% retention year over year within my book of business.
- Designed and conducted training sessions for customers (individual and teams), receiving consistently positive feedback.
- Contributed to cross-department strategy and collaboration.

Customer Success Programs Manager

Yammer (a Microsoft Co.), San Francisco, CA

July 2014 - September 2015

- Developed a Learning & Development guide for the Customer Success Managers to leverage as the source of truth for their enablement.
- Facilitated CSM new hire onboarding, ensuring they feel welcomed and connected with various parts of the business.
- Managed internal team summits aimed to boost morale, strengthen relationships and ensure team-wide alignment with Microsoft's business objectives for the fiscal year.

Community Customer Success Manager

Yammer (a Microsoft Co.), San Francisco, CA

February 2013 - July 2014

- Drove adoption at SMB enterprises through one-to-many advising and training.
- Managed and facilitated monthly webinars on how to use Yammer including best practices and tips on getting the most out of it.
- Partnered with Sales and Support to build relationships, recommend product integrations and drive renewals.

- Facilitated a passionate user community and Advisory Board by discussing feedback and lessons learned.
